Subject:	PACIFIC GATEWAY POLICIES

BACKGROUND

Pacific Gateway Workforce Development Board (PGWDB) is kept abreast of legislation, both local and national, with potential impact to the Workforce Development Board (WDB) activity, funding, performance measures, or other areas. With the final release of the Workforce Innovation and Opportunity Act (WIOA) regulations in August 2016, Pacific Gateway initiated the review of its operational policies to ensure the agency is in full compliance and make use of new WIOA opportunities.

DISCUSSION

Pacific Gateway has updated the WIOA Adult, Dislocated Worker and Youth Policies based on recently released directives, to ensure the agency continues to be in compliance with the final regulations. The following policies have been revised and will take effect upon approval from the Board:

1. Supportive Services
2. Electronic Enrollment and Eligibility Verification of Services

Pacific Gateway will continue to present updated and revised policies per WIOA regulations.

RECOMMENDATION

Recommendation to approve revised WIOA policies impacting Adult, Dislocated Worker, and Youth.
