Helping businesses in Long Beach, Signal Hill, Torrance, Lomita, and the Los Angeles Harbor area meet their workforce needs.

■ RECRUITMENT AND HIRING

Finding the right people is key to your business success. Whether you're hiring 1 person or 100, let the Pacific Gateway Business Assistance team help you save significant time and expense by connecting you to qualified, work-ready candidates. We can help:

- Coordinate hiring events of all sizes and at any location, at no cost to you
- Interview, pre-screen and test candidates
- Assess which skills your organization needs to reach your goals
- Assist with worker's compensation and hiring tax credits

■ CUSTOMIZED TRAINING

Training your employees to acquire new skills takes time and resources. We can help develop a cost-effective customized training program to upgrade the skills of your existing workers or train new talent to fill skill gaps in your organization. We can help you:

- Cut training costs by 50% by covering half of the cost
- Connect to local colleges and institutions, and professional, experienced trainers
- Utilize your own in-house experts and staff to deliver training
- Train current and new employees in a college campus setting or at your business, on your schedule

■ YOUTH HIRING AND INTERNSHIPS

We work closely with businesses to prepare the next generation of well-trained, work-ready employees. We conduct year-round, cost-effective youth hiring events to connect businesses to bright, motivated young men and women for seasonal, part- and full-time positions. We can help you:

- Hire youth who have completed the National Work Readiness Credential
- Train and mentor youth to become valuable members of the workforce
- Access special subsidized employment programs*
- Set up internship opportunities for career-minded youth

■ LONG BEACH ENTERPRISE ZONE

Administered by the City of Long Beach, the Enterprise Zone program aims to stimulate business growth, and retain and attract businesses to targeted areas. The Long Beach Enterprise Zone has saved more than 25,000 businesses over \$60 million in potential tax savings since 2007, earned for each qualifying employee and business equipment purchase. We help you access these credits and other Enterprise Zone resources.

*Availability of subsidized employment programs depends on funding and includes some restrictions.

■ RESOURCES AND WORKSHOPS

Pacific Gateway connects companies to a wide range of resources aimed at helping them reach their goals and confront challenges. These include:

- Assistance for businesses and employees facing downsizing
- Seminars and workshops covering a range of key business topics
- Referrals to other business services offered in the region
